(13 - 14 October 2005, Hotel "Mir", Noviy Arbat 36/9, Moscow, the Russian Federation)

**SECOND ANNOUNCEMENT**

Dear Sir/Madam

EMEP Task Force on Measurements and Modelling and Meteorological Synthesizing Centre East of EMEP have a great pleasure to invite you to participate in the TFMM Workshop on the review of the MSC-E models on heavy metals and persistent organic pollutants.

The aim of the Workshop is to establish whether MSCE-HM and MSCE-POP models are state-of-the-art and fit purpose of evaluating the contribution of long-range transport to the environmental impacts caused by heavy metals and persistent organic pollutants.

Draft agenda, which has been worked out by TFMM, MSC-E and national experts is in the attachment. Background documents (HM/POP model description and sensitivity study, model intercomparison, technical and scientific reports...) prepared by MSC-E can be found in the Internet by the following address <http://www.msceast.org/events/review.html>.

The official language for the Workshop is English.

The meeting will be held at the Hotel "Mir" in the center of Moscow. A block of rooms has been reserved in the Hotel "Mir" from 12 to 15 October 2005 at a price EURO 110 per night, including breakfast and two lunches. If you would like to stay in Moscow extra days please, indicate it in your registration form.

The meeting will start on Thursday, 13 October 2005 at 8.30 a.m. and finish on Friday, 14 October 2005 at 6.00 p.m.

To register for the Workshop, please return the attached registration form to Marina Varygina ([marina.varygina@msceast.org](mailto:marina.varygina@msceast.org)), responsible secretary of the Workshop before 1 July 2005.

If you have any questions please, do not hesitate to contact Marina Varygina on e-mail: [marina.varygina@msceast.org](mailto:marina.varygina@msceast.org) or telephone: 007 095 214 39 93

Looking forward to meeting you in Moscow in October.

Sincerely yours,  
Sergey Dutchak  
Director, EMEP/MSC-E
